### BEFORE YOU BEGIN...

This is not *just* a journal. It is an *experience* that will tell a story by the time it's finished while revealing to you many things about yourself, your heart, and the Lord Himself.

There are fifty-two scripture verses at the top of each page to accompany the verses in *CREATE IN ME A CLEAN HEART! DEVOTIONAL*. Begin the week by sitting down and reading the devotion from CREATE *IN ME A CLEAN HEART!* on Sunday and then, throughout the rest of your week pay close attention to how the Lord is speaking to you and guiding you through each verse. Meditate on the bible verse each day for a week as you work on getting things done in your home. You may want *A Clean Heart Scripture Verse Posters* to hang in a place, or places, that you will see and serve as an aid in not only meditating on the verse, but also memorizing it as well. By meditating on each scripture *and memorizing them*, they will be kept *not only on your mind, but in your heart* as well, to help you through the difficult times of frustration and discouragement.

You may write in your journal daily, once a week, or sporadically throughout the week, but however you choose to use these pages, they are to keep a record of your thoughts and feelings as well as your self-evaluations and revelations about yourself and your heart throughout your 52-week experience. Keeping a journal will enhance your walk with the Lord as you draw nearer to Him throughout this cleansing time and serve as a reminder of your struggles and triumphs. (SPECIAL NOTE: If you need more pages for the week, just print out more. You could also add each journal page after the weekly devotions if you've put together a CREATE IN ME A CLEAN HEART! Binder.)

This process is about more than the end result of your home... it's about the refining of your heart, so make time *at least* once a week to sit down with the Lord and allow Him to speak to you through your writing.

Bless your heart and home! Amy Verlennich December 2007
