

OUTSIDE FRONT YARD

IMPORTANT REMINDER FOR EACH ROOM/AREA YOU DECLUTTER/CLEAN... If you haven't needed it, worn it, looked at it, or used it in a year (6 months if you really want to be ruthless) than GET RID OF IT! Quit keeping them *INCASE*... Jesus may come back before you use them, so bless someone else and give them away!

DON'T FORGET TO TAKE A PICTURE BEFORE YOU START!

The following is a list of questions that might help in cleaning your front yard:

- Do you have any flower pots that had “wintery” things inside?
- Speaking of flowers... do you need to rake up any leaves covering the flower beds, or does it need to be weeded? (Please no bragging about weeding either, as I'm in Minnesota and don't want to hear about anyone having beautiful flowers! Tee hee...)
- Does the driveway need to be swept or washed to get all the dirt off?
- Does the yard have toys or garbage in it? Does it need to be mowed or raked from last year's leaves?
- Do you still have Christmas decorations out?! (We won't spend any time making you feel bad on that one... 'kay?)
- Do the windows need washing?
- Does the front door need some attention with a paint brush?
- Do the steps to your home need sweeping, scrubbing or painting? How 'bout a new WELCOME mat?
- Now that it's clean, take another picture and pat yourself on the back! Yippee! **“X”** it out on the **“Clean Heart, Clean Home Challenge” At A Glance Calendar!**
